

As a **Psychiatric Care Provider**, Would You Like to **Champion Care for Children**?

Come and join an entire team whose focus is providing champion level care for children with developmental delays. Practice in a new, *sensory sensitive institute* being built on the foundation of *child and family focused care*. From its design to its completion, this center will emerge into an institute of hope and healing as the care team evaluates, diagnoses and treats children from birth to 11 years of age with *developmental delays* and or *behavioral concerns associated with those delays*.

As a Psychiatrist, you will perform or supervise the following therapy services:

- ABA Therapies
- Autism Evaluation
- Behavioral Therapy Developmental Evaluation
- Family Therapy
- Group Therapy
- Individual Therapy
- Psychoeducational (Cognitive) Assessments
- Psychological Evaluation
- Collaboration with other agencies to offer prevention programs and organizational consultations

In addition to participation in psychological care opportunities for children and families, you'll have the opportunity to work in partnership with some of the most highly trained professionals in developmental care - Developmental Behavioral Pediatricians, BCBA's, Psychologists, Physical, Occupation and Speech Language therapists, as well as Family Support Services Navigator, LCSW and a supportive administrative team.

About Hamilton

The mission of Hamilton Health Care System (HHCS) is to provide leadership, partnerships and seamless resource coordination to meet healthcare needs that advance the quality and dignity of life. At HHCS, we have dedicated our lives to serving people's physical, spiritual and mental needs. To maintain our position at the forefront of healthcare for children with developmental delays, we will use evidence based practices and advanced technologies, while keeping the child and family at the center of our focus with the Anna Shaw Children's Institute. Because healthy families are the essence of our community, each associate, physician, volunteer and trustee is devoted to improving the treatment of children with developmental delays through family-centered care at The Anna Shaw Children's Institute.

About Dalton

Dalton is nestled at the base of the picturesque, impressive North Georgia Mountains. This four-season community offers outdoor enthusiasts many choices for year-round enjoyment. Beautiful natural resources are readily available to provide lake access, kayaking, hiking, mountain and/or road biking. If you enjoy a more metropolitan feel, several cities are a short 30 minute to 1 hour drive. Located a few hours from the beaches or the mountains, living here allows an easy day trip to enjoy the surrounding area. The area is rich in history and cultural diversity, and provides a blend of outstanding educational, cultural and recreational resources. What you won't find in Dalton – lengthy commutes, high crime rates, or an increased cost of living. All of these, partnered with honorable southern values, make Dalton a family-friendly place to live.

If you're looking to live in a **family friendly community with excellent schools**, this opportunity should interest you. I hope I have the chance to tell you more about this wonderful position.

Warmest regards,
