

Hamilton Medical Center is seeking a *Hematologist/Oncologist* with 3 – 5 years of experience.

Hamilton has broken ground on a \$50 million dollar comprehensive cancer institute with state-of-the-art technologies, easily navigated services, and collaborative oncology and emotional support in a patient- and family-centered environment. The multi-level facility will have a two-level parking structure, two-story lobby atrium, and advanced infusion and radiotherapy suites. Hamilton will offer patients the most advanced technology available today in the rapidly evolving cancer treatment environment.

Immediate patient base - volume is already here.

- **Highly competitive compensation package**
- **Sign-on bonus up to 75K and relocation up to 15K**
- University Affiliation for research and clinical trials
- Very minimal call requirements. Hospitalist cover all admissions. APP's triage calls.
- Certified nurses in established infusion center

Opportunity Requirements:

- Board eligible or board certified in Hematology/Oncology

Hamilton Medical Center is committed to changing lives and transforming care. As Hamilton continues to enhance the health care experience for patients and their families, its approach to cancer care is no exception. To meet the current and growing needs of our region, Hamilton is developing a cancer institute, with fast and easy access to service and individualized oncology care right here in our own community. <https://www.hamiltonhealth.com/>

Dalton is nestled at the base of the picturesque, impressive North Georgia Mountains. This four-season community offers outdoor enthusiasts many choices for year-round enjoyment. Beautiful natural resources are readily available to provide lake access, kayaking, hiking, mountain and/or road biking. If you enjoy a more metropolitan feel, **Chattanooga, Tennessee is a short 30 minute commute and Atlanta is only a 90 minute drive.** <https://www.chattanoogaafun.com/>

If you're looking to live in a **family friendly community with excellent schools**, this opportunity should interest you. I hope I have the chance to tell you more about this wonderful position.

Warmest regards,

Bonnie Shadix
