

Seeking Associate Program Director of Ambulatory Services

Hamilton Medical Center, in Dalton, GA, is recruiting a clinician-educator physician to direct our **Internal Medicine Residency Program's** outpatient teaching practice and to join our program leadership as an **Associate Residency Program Director**. In this key role the clinician-educator physician will supervise our residents' office practice, collaborate with other program directors to develop and deliver curriculum, and foster, evaluate and monitor residents' learning progress.

Job Requirements:

- Must have ABIM certification in internal medicine
- Georgia physician license.

In addition to our collegial work environment, we offer:

- Highly competitive compensation package
- Employment incentive up to 75K and relocation up to 15K

Hamilton Health Care System is not for profit, fully united system of care serving the northwest Georgia region. The Dalton-based flagship of the system, **Hamilton Medical Center**, is a 282- bed regional acute-care hospital which offers major medical, surgical and diagnostic services, including award-winning, accredited stroke and chest pain centers. Known for its advanced care and personalized service, **Hamilton Health Care System** offers innovative treatment options in state-of-the-art facilities while maintaining a compassionate, friendly and tranquil healing environment.

This four-season community offers outdoor enthusiasts many choices for year-round enjoyment. Beautiful natural resources are readily available to provide lake access, kayaking, hiking, mountain and/or road biking. If you enjoy a more metropolitan feel, **Chattanooga, Tennessee is a short 30 minute commute and Atlanta is only a 90 minute drive.**
