

Develop and Lead a New Psychiatry Residency Program in the North Georgia Mountains

Hamilton Medical Center is seeking a board certified **Psychiatrist** to develop, lead and grow our new Psychiatry Residency Program based in Dalton, Georgia.

Residency Program Director Criteria:

- Completion of an ACGME accredited Psychiatry residency
- Board Eligible or Board Certified
- Prior GME experience preferred
- Executive or administrative experience preferred
- Strong clinical and communication skills, team mentality and innovative approach to medical education

In addition to our collegial work environment, we offer:

- Highly competitive compensation package
- Employment incentive up to 75K and relocation up to 15K

Hamilton Health Care System is a not for profit, fully united system of care serving the northwest Georgia region. The Dalton-based flagship of the system, **Hamilton Medical Center**, is a 282-bed regional acute-care hospital which offers major medical, surgical and diagnostic services, including award-winning, accredited stroke and chest pain centers. Known for its advanced care and personalized service, **Hamilton Health Care System** offers innovative treatment options in state-of-the-art facilities while maintaining a compassionate, friendly and tranquil healing environment.

Dalton is nestled at the base of the picturesque, impressive North Georgia Mountains. This four-season community offers outdoor enthusiasts many choices for year-round enjoyment. Beautiful natural resources are readily available to provide lake access, kayaking, hiking, mountain and/or road biking. If you enjoy a more metropolitan feel, **Chattanooga, Tennessee is a short 30 minute commute and Atlanta is only a 90 minute drive.**

If you're looking to live in a **family friendly community with excellent schools**, this opportunity should interest you. I hope I have the chance to tell you more about this wonderful position.

Warmest regards,

Bonnie Shadix
