Your work is service:

The work that you do...

When done well...

Is one of the highest forms of service.

Therefore we **HAVE** to serve our way  
**FORWARD**

## **Your Impact:**

You have the ability to  
deflate others

You have the ability to empower  
others

## **Without Asking:**

People throughout my life have dramatically changed my life through giving service...

that I didn't know to ask for

## It's Worth It:

The work you are doing now is sowing seed for the future

A future with more special needs people that are more self sufficient, families more equipped to support, and communities more understanding and giving
